THE RESIDENT MYSORE

BANGALORE.
12th November 1904.

My dear Krishna

In arranging for the relief of Native Cavalr Regiments during the current relief season, it has bee been found necessary to leave Bangalore without Nativ Cavalry from the 15th November 1904 up to the end of February 1905. Sir James Bourdillon will be obliged if the Durbar can kindly arrange to detail an escort from the Imperial Service Lancers or the Local Servic Cavalry to do duty at the Residency as a temporary measure until the arrival of the 30th Lancers from Bellary. The Resident will only require one Non-Commissioned Officer and four sowars.

Yrs sincerely

Sir P.N.Krishna Murti K.C.I.E.,

Dewan of Mysore.

My dear Col Dixon

Please see endorsement on the enclosed —

I shall then be pleased about making a final arrangement and I don't know what the Militia Cavalry and Dog Brigade should do next.

Possibly you could have the kindness of suggesting what the next step is going to be in this matter & the Militia Cavalry & Infantry —

My dear Moss King

With reference to your letter of 13th November addressed to the Dewan

Sir Krishna Murti desires me to say that arrangements have been made to furnish the escort as required.

But as this additional work will fall rather heavily on the Regiment I am to ask that while the Hon'ble the Resident's escorts are furnished by the Imperial Service Lancers the Residency Office orderlies and letter Sowars may be furnished by the British Cavalry or bicycle orderlies of the garrison..

Yours sincerely

Dear Jones

Your D.O. of the 19th instant regarding the Resident's escort.

It is not possible to get orderlies from the Garrison, but if the additional work really falls heavily on the Imperial Service Regiment, the Resident is prepared to do without his escort as such, provided two sowars can be sent as orderlies and an escort can be provided when specially asked for on particular occasions.

Yours sincerely

My dear Moss King

Reference:- Your D.O. letter No 5930 dated 28th November 1904.

The Dewan desires me to inform you that it is proposed to continue to send the orderlies for the Resident's escort and also the two orderlies for the Office but to withdraw the orderlies sent to the Residency Surgeon. These latter were detailed as a temporary measure when plague was raging in the Station and can doubtless be now spared.

The Dewan hopes the above will meet with the Hon'ble the Resident's approval and not be found inconvenient in any way.

The Chief Commandant has been told that the orderlies may be furnished on the scale above noted from the 1st January

Yours sincerely
